In Jesus Name: Praying with Power

Over the next five weeks, Pastor Mark will be using the Lord's Prayer to teach us a pattern of prayer. The Lord's Prayer was not meant to be prayed verbatim, but was to teach us how to pray. There are five sections to the prayer:

- Our Father in heaven, hallowed be your name.
- Your Kingdom come, your will be done on earth as it is in heaven.
- Give us today our daily bread.
- Forgive us our debts as we have forgiven our debtors.
- And lead us not into temptation, but deliver us from the evil one.

Prayer: Experiencing Awe and Intimacy with God by Tim Keller is an excellent resource for anyone who wants to learn to pray with power. Christians are taught in their churches and schools that prayer is the most powerful way to experience God. But few receive instruction or guidance in how to make prayer genuinely meaningful. In *Prayer*, renowned pastor Timothy Keller delves into the many facets of this everyday act.
